## Pandas Year 2 Journey of Discovery Spring 1

### Heart

The key value to let our light shine is:

- Self-control

## Hand

These are the skills we will learn this half term. For example:

- Watercolour
- Programming and debugging
- Following a design
- Safe gymnastics

## Maths

- Multiplication in 2s, 5s and 10s.
- Division
- The inverse relationship
- Simple fractions

## Land Ahoy!

## English

- The Night Pirates
- Postcard and Letter Writing
- A New Home For A Pirate
- Pirate Stories
- Oral Retells

## Geography

- Treasure maps and directions
- Weather patterns
- Oceans and continents
- Significant places

## Religious Education

- Who is a Muslim and what do they believe?
- Comparing Islam with Christianity

## History

- Blackbeard the pirate
- Real pirates of the past, for example, Calico Jack, Anne Bonny, Henry Morgan

## Music

- Exploring rhythms
- Sea shanties – creating simple songs, chants and rhymes
- Performing

## Science

- Gather and record data
- Investigation: Why do boats float?
- GAPS – Plants
- Weather throughout the year

## Computing

- Spheros using simple directions
- Programming to navigate
- Presentations using different media

## Art and design technology

- Drawing and sketching boats
- Designing and making pirate flags
- Watercolour
- Designing and making boats

## Spark day

- Make pirate hats and telescopes
- Treasure hunt

## Useful websites

<https://www.dkfindout.com/uk/history/pirates/>  
<https://www.bbc.co.uk/cheebies/topics/pirates>

## Physical Education

- Gymnastics
- Floor work translated onto apparatus
- Using the apparatus safely and sensibly
