October 2019

Dear parents and carers,

It has been a very positive half term with the children making lots of progress and very much enjoying their learning and trips out to the theatre, museums and most recently our fantastic whole school trip to Legoland Discovery Centre. This trip was very kindly funded by The Alderman and Newton Foundation and All Saints Christchurch as a curtain raiser for our exciting Lego Church after school club which will take place once a month on a Monday. The first one is after school on Monday 21st October, please join us if you can for stories, refreshment and lots of Lego fun!

Thank you for all your support this half term.

Best wishes.

Andy Mawdsley
Headteacher

Egyptian experience at the New Walk Museum

The children in Year 3 and 4 have thoroughly enjoyed learning all about the Egyptians in their topic work this half term. This really came alive with a visit to the New Walk Museum in Leicester, where the children were able to see Egyptian mummies and find out from the New Walk Team all about the life of Pharaohs in Ancient Egypt.

Harvest Celebration Coalville foodbank

Well done to all the children who performed fantastically well as we celebrated Harvest with our Assembly in School. I was particularly impressed with Bears class who went on stage and performed so confidently in front of the whole school and our guests after being in school for less than six weeks. I was also delighted with how well the choir sang, I look forward to more performances from all the children. Thank you to all the parents, friends and family who were able to attend and for the very kind donations to Coalville Foodbank.

Parent Teachers Association News

A big thank you to all those people who have joined the PTA this term. We are very grateful for any support in raising funds for the school and providing even more opportunities for our children. Our next event is the Monsters and Aliens Disco after school on Thursday 24th October.

Odour Update

Thank you for your patience with the smell from the drains next to school. I am delighted to say that this has now gone. We will keep monitoring the situation, but for now collection and drop off of for all parents and children smells a lot better!

Amazing All Saints Readers

Well done to all the children who completed the summer reading challenge. We await the results of the schools competition, hoping we have won this year! All the children very much enjoyed their trip to the library this half term. All children will be going every term with the school as we develop our work with Coalville library and develop our children's love of reading.

Celebrating our History The Class of 69

Now and then - In October the class dressed up for their Year 6 Photograph with the school fields in the background. No school ties now but can you recognise one of our members of staff looking very smart on the back row?

Lego Church

All children and families are welcome to join us in school for our very first Lego Church. Children and families will enjoy refreshments, stories and lots of Lego building. Please join Revd Gill Pinnington and the team if you can in the school hall.

Monday 21st October 3.30—4.30 pm

Year 6 Team Building at Beaumanor Hall

Our two Year 6 classes LIGERS (Lions and Tigers combined) were taken to Beaumanor Hall earlier this half term to take part in some fun activities in order to cement their abilities to work together, communicate effectively and include everyone...TEAMWORK!

The morning activities required our Ligers to work in small groups to solve the problems given to them. The highlight from the morning for all was the frustrating task of building themselves a structure that would hold them all from just 6 wooden poles and some lengths of rope. We are proud of all the children for their effort as they start the challenges and enjoyment of being in Year 6.

Thur 19th December	1.30 - 3.15 pm	Christmas Service, Christchurch	All years

Ping Pong Superstars

Congratulations to our boys and girls table tennis teams, who entered the North West Leicestershire Table Tennis Championships for the first time. The boys won all but one game taking them to the semi finals where they narrowly lost out. The girls went one better getting all the way to the final only just losing on points difference to the eventual finalists. A big thank you to Mr Barney and Mr Beniston who have supported with coaching.

Unbeaten start to the football season

This year the football team have entered the Kirby Shield Cup competition for the first time in 5 Years. This puts our Year 5 and 6 children up against the best teams in the District in pursuit of the trophy won many times in the past by All Saints Teams of the 80's and 90's. In their first game of the season, playing Ashby Hill Top the team drew 0—0 , a good result against a strong side. We look forward to the team progressing after half term as we face Packington and Blackfordby Primary School in the culmination of the group stage.

Rugby Success

Well done to your Year 5 and 6 rugby team who competed at the North West Leicestershire Tag Rugby Festival. The team fought hard and ended the competition with a win over Viscount Beaumont in their final game. Mr Barney was very impressed with their hard work and team work throughout the festival.
