Year 6 Water Safety - Thursday 26th June 2025

Dear Parents/Carers

Everyone Active are keen to encourage our local community to become more involved in 'How to be Water Safe', therefore our Year 6 children have been invited to attend a Water Safety session.

This will consist of a variety of activities, including; Water Safety in the Swimming Pool, A Presentation on Water Safety and Basic First Aid including CPR.

These sessions will be delivered over a three-hour block to accommodate all three activities **on Thursday 26th June 9.30am - 12.00pm.**

Children will be walking to and from the pool and will eat lunch when they get back to school.

All instructors and coaches delivering the sessions have an enhanced DBS.

Children will need to come to school with their swimming kit under shorts/leggings and a T shirt that will get wet. Please make sure children bring a towel, their uniform and underwear to get changed back in to afterwards.

All the above activities will be provided free of charge.

Kind regards

Headteacher
