9th March 2026

Dear parents and carers,

We are now using a system called **Arbor** as our Management Information System in school, this will hopefully allow us to communicate more effectively with our families.

Over the next few weeks, we will be moving our communication and payment items (such as trips, clubs and uniform) and Parents Evening Bookings over to the new system. We will gradually be phasing out the use of ParentPay and Groupcall messaging. For breakfast club, please make sure you have money on your account up until May half term but not for the rest of the school year.

We will be sending out enrolment letters to all parents to enable you to set up an account with Arbor and download the app. If you need any assistance with this, please come into the office and we can help you.

Once you have logged on to Arbor you will be update any personal and medical details through the app and you will also be able to view your child's attendance.

Class Dojo will continue to work as before to contact your child's class teacher.

**Please ensure that you have activated your Arbor account by Friday 27th March**, as Parents Evening bookings will launch after Easter and will only be bookable through Arbor. Further details will be sent out shortly.

Kind regards,

Headteacher
